MEMORANDUM

January 4, 2006

NSLP-CN# 25-06

TO: All Public Schools Participating on NSLP Program

FROM: Carol Foxhoven
Health & Nutrition Services Division

SUBJECT: Clarification of Audit Evaluation Memo # 22-06

Audit Evaluation Memo # 22-06 requested that all institutions of higher learning and non-profit organizations must submit an Audit Evaluation form. Since public schools receive annual single audits, you are not required to submit the Audit Evaluation form.

Therefore, if you are a public school, please disregard the Audit Evaluation Memo and form. If you already completed the form and forwarded it to Audit Resolution, we sincerely apologize for the inconvenience.
